## MEET

*Silver Sanders*

Silver began her academic journey at the University of Louisiana at Lafayette, where she earned her Bachelor's Degree in Political Science in May 2019. She went on to receive her Juris Doctor from the Southern University Law Center in 2022.

Following law school, Silver had the opportunity to clerk for Judge Waddell-Garrett in the Drug Court section of the First Judicial District Court. In this role, she gained valuable insight into courtroom procedure, judicial decision-making, and the unique rehabilitative focus of Drug Court proceedings.

Silver also served the community through her work with the Caddo Parish Public Defender's Office. Silver brings to our firm a strong background in defense litigation, legal research and writing, and case analysis.

We are excited to have Silver join our firm and look forward to the skill, professionalism, and dedication she will continue to bring to our practice.

Please join us in welcoming Silver!
