First Responders Appreciation

Our team was honored to host our second annual First Responders Appreciation Luncheon at The Stable. The event brought together first responders, their families, and community members for an afternoon dedicated to gratitude and fellowship.

Guests from law enforcement, fire and rescue, EMS, and the military enjoyed a meal together while being recognized for their service and sacrifice. To-go meals were also provided for those called back to duty.

We are grateful for the men and women who work every day to keep our communities safe. Thank you for your dedication, your courage, and your commitment to serving others.

JULY 2026

Welcome to Rebecca's Garden

Each summer, thousands of flowers bloom in a field on Swan Lake Road. Bright zinnias, towering sunflowers, and countless colorful blooms draw visitors from across the community. But Rebecca's Garden is about far more than flowers.

The garden was planted in memory of Rebecca, Ryan and Susan Gatti's daughter. What began as a personal way to honor her life has grown into a place where others can find beauty, peace, and connection. Every flower is free to anyone who visits—whether they take a bouquet home, share one with a friend, brighten a nursing home, or leave one at the cemetery in memory of a loved one.

Throughout the blooming season, families, neighbors, and strangers stop by to pick flowers, take photos, and spend time together. In doing so, they become part of a simple mission: spreading kindness and joy through giving.

As Ryan often reminds visitors, one of the wonderful things about joy is that it grows when you give it away. Rebecca's Garden stands as a living reminder that even in loss, love can continue to bloom and bring light to others.

Thank you to everyone who has visited, shared flowers, and helped keep Rebecca's memory alive. We look forward to welcoming many more visitors as the garden continues to bloom throughout the summer.
