SUMMER ESTATE PLANNING

At Gatti Law Firm, we understand that estate planning can feel overwhelming. Our attorneys are here to help you create a plan tailored to your unique needs.

What Should You Review?

- **Wills and Trusts:** Confirm beneficiaries are current and that the terms still align with your intentions.
- **Power of Attorney:** Verify that the person you've designated to make decisions for you if you're incapacitated is still appropriate.
- **Financial Accounts:** Check beneficiary designations on retirement accounts and life insurance to ensure consistency with your estate plan.

WITH DEEP APPRECIATION THIS INDEPENDENCE DAY

As our nation celebrates Independence Day, we reflect on the sacrifices made in 1776 to secure the freedoms we hold dear and the continued commitment of those who protect those freedoms every day. First responders are among the most visible defenders of the rule of law, ensuring our communities remain safe, stable, and just.

Whether responding to emergencies, enforcing public safety laws, or serving during natural disasters and times of crisis, first responders embody the principles our legal system was built upon: service, justice, and accountability.

On the front lines every day, first responders enforce laws that protect our constitutional rights and respond when those rights are threatened. From assisting victims to de-escalating dangerous situations, their work is a daily reminder of how law and liberty are intertwined. Thank you for your continued service, sacrifice, and commitment. To read more about how the Gatti Law Firm honored our first responders see the article below for details of our first responder's luncheon.

GATTI LAW FIRM HOSTS LUNCHEON TO THANK BOSSIER'S FIRST RESPONDERS

In a tribute to those who serve and protect our community, the Gatti Law Firm hosted a First Responder Appreciation Lunch on Thursday, July 3, at The Stable. The event brought together first responders, their families, and members of the community for an afternoon of gratitude, fellowship, and celebration.

The luncheon welcomed active-duty, retired, and in-training members of EMS, fire and rescue, law enforcement, and the military. As part of the Gatti Law Firm's 25th anniversary celebration, the event was a meaningful opportunity to recognize and honor the sacrifices made by those who serve.

Guests enjoyed a menu served by Cooyan's. To-go plates were made available for those needing to return to duty, ensuring every first responder received a meal and a sincere thank-you. Families were encouraged to attend, creating a warm, welcoming atmosphere filled with community spirit and appreciation.

The luncheon served not only as a celebration of service but as a heartfelt reminder of the strong bonds between Bossier's citizens and its first responders. On the eve of Independence Day, the event was a powerful expression of patriotism, unity, and gratitude.
