BOSSIER WOMEN'S COMMISSION

Honoring Women's History
Month and Our Local
Leaders

March is Women's History Month—a time to celebrate the extraordinary women who have paved the way for equality and progress in the legal profession and beyond. From the early trailblazers who broke gender barriers in law to today's female judges, advocates, and firm leaders, women continue to shape a more just and inclusive legal landscape.

At Ryan E. Gatti Law Firm, we proudly honor these achievements and reaffirm our commitment to empowering women in our community. This month, we once again supported the Commission for Women of Bossier City through their annual Inspiring Women Week events—an inspiring celebration of leadership, service, and community impact that has uplifted women and families since the Commission's founding in 1986.

Each year, the Commission's events raise funds for local organizations making a real difference. This year's proceeds benefit Faith and Fostering and The House of Grace, two programs dedicated to providing safe housing, education, and life-skills support to young people and mothers in need.

We were honored to attend and stand alongside so many community members working together to uplift and empower the next generation. Their dedication continues to remind us what's possible when people come together in service of others.
